

# NV Jack Tone Vineyards [red wine] Bottle Blend 3 Liter Bag in Box

## *Winemaking Notes*

The Jack Tone Vineyards [red wine] is a beautiful blend of Syrah and Petite Sirah. In future years, the blend may include Petit Verdot and Zinfandel, as well. We've decided to maintain the wine with a Non Vintage status to give us freedom to back blend from vintage to vintage in order to maintain continuity between production years.

## *Tasting Notes*

Medium Garnet in color, the Jack Tone Vineyards Red Wine fills your olfactory sense with dark berry fruit and creamy soft Vanilla notes. Deeper contemplation reveals hints of sweet tobacco leaf. The wine enters the mouth and a richness is immediately noticed, the wine remains soft and round. Blackberry, Mocha and Milk Chocolate are the predominate flavors.

## *Technical Data:*

Alcohol: 13.5%  
Total Acidity: 5.5g/Liter  
pH: 3.53  
Composition/Blend: Syrah and Petite Sirah  
Appellation: California  
Fermentation: Stainless Steel

# NV Jack Tone Vineyards [white wine] Bottle Blend 3 Liter Bag in Box

## *Winemaking Notes*

Our initial White Wine Bottle Blend is a blend of Pinot Grigio, Chardonnay and Muscat. In future blends, we may see a small amount of Viognier, as well. We have maintained a "Non Vintage" status with the wine in order to give us the freedom to "back blend" between vintages to maintain continuity and consistency.

## *Tasting Notes*

The 2010 Jack Tone White Wine is light straw in color. The nose is a cornucopia of fruit that includes Peach, Pear, Lemon and Lime. Rich, full and creamy describe the tactile sensation of the wine in the mouth. Flavors of sweet Pear and Apple mingle with citrus notes.

## *Technical Data:*
