

CHENIN BLANC & VIOGNIER

ESTATE GROWN - RIVER JUNCTION AVA

WINEMAKER NOTES

Our Chenin Blanc & Viognier is light straw in color. It is a bright, vibrant and refreshing wine. With hints of peach, pear & apricot on the nose, it leads to similar character notes on the palate. The vibrancy of this wine makes it a perfect beverage to share outside.

HARVEST PRODUCTION NOTES

The fruit was harvested in September, then the juice was cold fermented in stainless steel tanks to retain the unique fruit characteristics.

BLEND

Our Chenin Blanc & Viognier is a blend of 80% Chenin Blanc & 20% Viognier from our Certified Sustainable, Estate Grown fruit.
